

CALLING ALL ODD SOCKERS!

If you're home from school and looking for something fun to do while you're **All Together** then we've got just the Odd Jobs for you! Download our pack for a **Unique** way to spend your day. But look out! There might be **Aliens** about! **I'm An Artist** and so are the band so we've included some epic colouring fun! When you're done ask your grown up to **Run Run Run** to our Facebook page and share your colouring creations with us!

Why not download a pack with a **Cheeky Friend** or two?

Have fun with it kids, **Who's in the Odd Socks?** You are!

WORDSEARCH

How well do you know the Odd Socks? We've hidden the names of the band, some of our songs and a few of our favourite things in this wordsearch, can you find them all?

MISSING LYRICS

Cousin Mac was making some tweaks to his Washomatic invention when he spilt washing up liquid over these song lyrics!
Can you fill in the missing words?

THEME TUNE TO ANDY AND THE BAND

Moxy's on the [blot]
She is daring brave and wild (Moxie 'Yah')
Blu's super brainy with a cool cool style (Blu 'keeping it cool on the bass')
Mac is the [blot]
And our keyboard playing star (Mac 'Aye, that's me')
Rio rocks out on his favourite guitar (Rio 'rock out')

We're Andy and the band
Playing all across the [blot]
Andy and the band are here for you and you, yeh yeh
We're Andy and the band
Always here to lend a hand
Helping out our [blot] is what we do

When Andy's Mum and [blot]
Call an odd job in to us (Andy's Mum 'gorgeous boy')
It's time to turn around the rock n [blot] bus (Ruby 'thanks Odd Socks / thanks Andy')
Our trusty roadie Whiff
Maybe grumpy, but he's great (Whiff 'that's right, 'course I do')

Are you ready to have some [blot]
Odd socks on cos the time has come
We're gonna play our favourite song
So turn it up and [blot] along

CHOP CHOPPETY DAY

When you're up against the clock
There's no time to [blot]
You've just gotta
Chop chop chop chop
Though you wanna sit down
And give your [blot] a break
If you don't know what to do
If you haven't got a clue
Do you poach it, boil it
Or put it in a stew...?
Just mince it up
With a smile on your [blot]

Everybody's working at speed speed speed
With hungry [blot] to feed feed feed

Yiy-yiy-yiy, bad-a-da-bing bong
Woo-woo-woo, dobb-a-da-ding dong
Bub-bub-bubble we're cooking today
Ping-pang, biddlee-boo-boo
Yum-yum, noodlee-noo-noo
Glug-glug-glug it's a chop chop [blot] day

If you feel half baked
Cos it's all gone pear shaped
Keep trying
And keep on [blot]
Though you wanna sit down
And give your feet a break
If your head feels boiled
And your [blot] have spoiled
That's concerning!
And what's that burning?
Cook cook it up with a
Smile on your [blot]

MISSING LYRICS

UNIQUE

If you find yourself all alone
And you just wanna go
And get in to bed with your favourite Ted
Then listen to these words instead

If you feel like a freak and you're weak
And life looks bleak 'cos you're meek and oblique (so to speak)
Then stop your worrying because you are unique (just like me)
And say I'm me, me, me and you are you, you, you
So why don't we, we, we, be happy together

I was walking down the road and I met a rabbit wearing a cape
He was an unusual kind of rabbit
I thought he was cool but he told me that no one liked him at school - weird!
He said that he was the only cape-wearing-quite-short-for-his-age
rabbit in the whole school
So I said "well that makes you the top-dog-cape-wearing-quite-short-for-your-age
rabbit in the whole school - yay!"
A bit further down the road I came across a lonely toad
He had a purple tail and yellow feet
He lived in a house just up the road
He was lost and all alone, I said "I'll help you find your way back home"
He said "I feel like a soggy slipper" and I said "ahhh, try singing with me..."

If you feel like a freak and a geek and you're weak
And life looks bleak 'cos you're meek and oblique (so to speak)
Then stop your worrying because you are unique (just like me)
And say I'm me, me, me and you are you, you, you
So why don't we, we, we, be happy together

We can be happy or we can be sad
Feel all the good things in life and don't let the bad things drive you mad
You are totally free, to be who you want to be
Hold your head up high, look up to the sky and sing along with us

If you feel like a freak and a geek and you're weak
And life looks bleak 'cos you're meek and oblique (so to speak)
Then stop your worrying because you are unique (just like me)
And say I'm me, me, me and you are you, you, you
So why don't we, we, we, be happy together

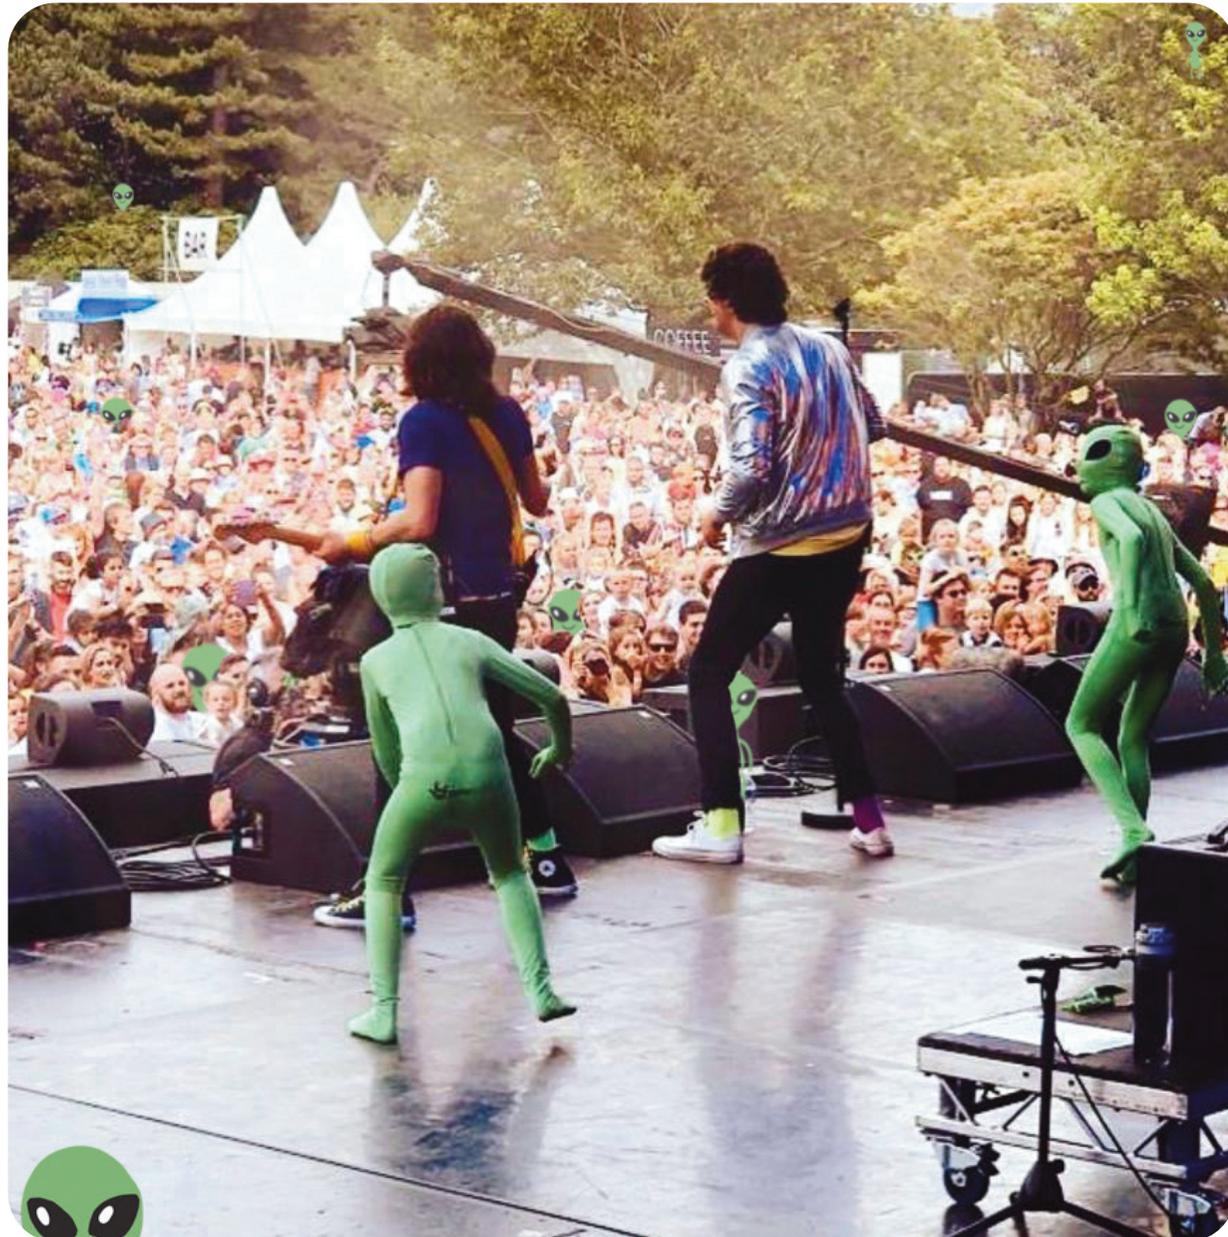

I met a guy who was shy and looked like
he was about to cry
I said "no one wants to hang with me,
I've got some weird traits that's why I've got no mates"
I said "well that's a shame, but not everyone is the same,
don't give yourself the blame, everybody finds a place where they fit,
don't worry about it"

Then I came across this giant newt
I said "hey you look like you're in your three piece suit"
He said "Stop making fun of me"
And I said "I'm paying you compliment dude, cant you see?"
"Oh, sorry" he said, "most people laugh at me
'cos I've got no hair on my head"
And I said "no way! your slick style is really slick
and always remember this rule..."

If you feel like a freak and a geek and you're weak
And life looks bleak 'cos you're meek and oblique (so to speak)
Then stop your worrying because you are unique (just like me)
And say I'm me, me, me and you are you, you, you
So why don't we, we, we, be happy together

ALIENS ABOUT

Look Out! Look out! There's aliens about, but can you spot them?
There are 10 to find...

SPOT THE DIFFERENCE

Andy's Mum sent us these two pictures but she got in a muddle and now the pictures aren't quite the same. Can you spot the differences? There's fifteen to find...
